

## MEDIA RELEASE: The Date Is Set!

The CondonTreasure Charitable Trust Committee are proud to announce the beneficiary of the 2011 CondonTreasure Charity Ball will be the Royal Flying Doctors Service (RFDS) for the fourth year running. This region renowned event was a sell out within 2 hours of tickets being released in 2010, and 2011 is set to be no different.

After a brief break, the CondonTreasure Charitable Trust Committee are back at it, preparing for what is set to be another 'must attend' event on Saturday, June 18 at Bassett Park Roma. Coming up to its fourth year, the event has bounded from strength to strength, with the RFDS receiving over \$77,000 to date.

CondonTreasure Charitable Trust Committee Member, Charisse Edwards, says like any major event, it would not happen without the generous support of past sponsors, such as WildDesert, Mind Body and Soul, GB Building, Maranoa Electrical Service, Ray White, McCullough Robertson, BrassRazu Concepts and many more. "New sponsorship packages will be released early 2011 and we are confident that businesses will again see the value in teaming up with us for what has become one of the most prestigious events in the Maranoa Calendar."

For more information on supporting this great cause phone Charisse Edwards on (07) 4622 5999.
